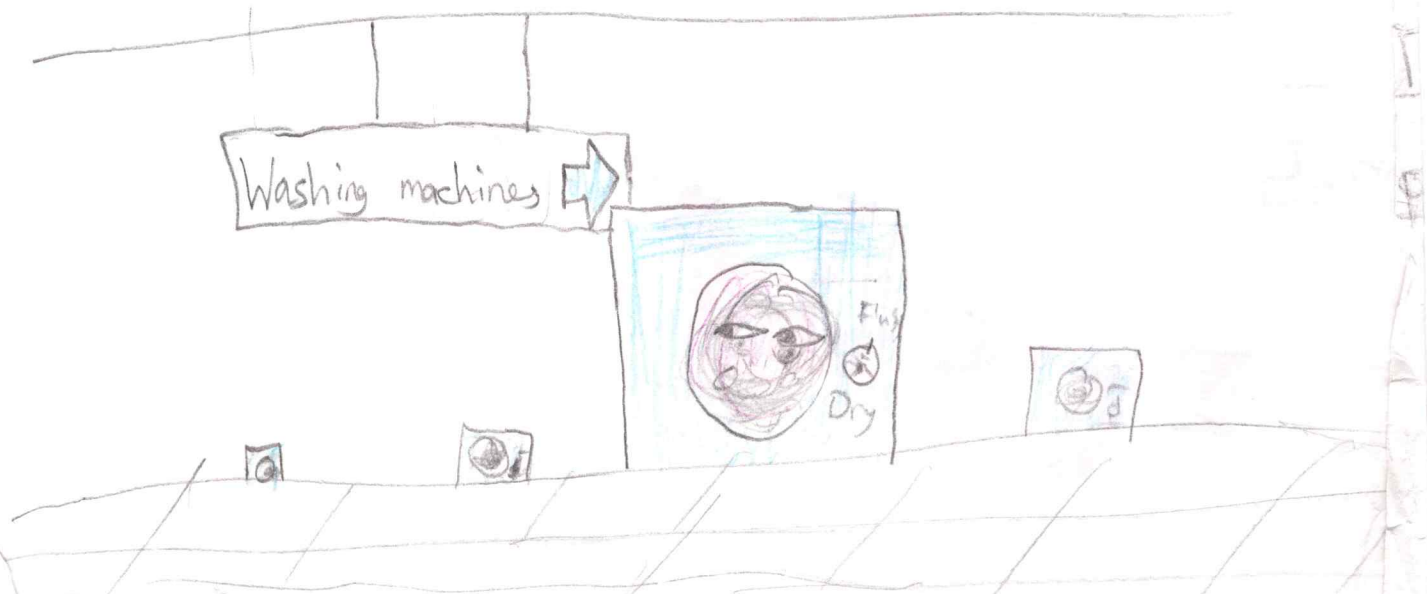
One day Pink panther said, "I am a dirty panther, I have to clean myself."

He went in the washing machine, he closed the door of the washing machine.

After he finished he opened the door of the washing machine. His hair was all fluffy and his pink skin was snappy

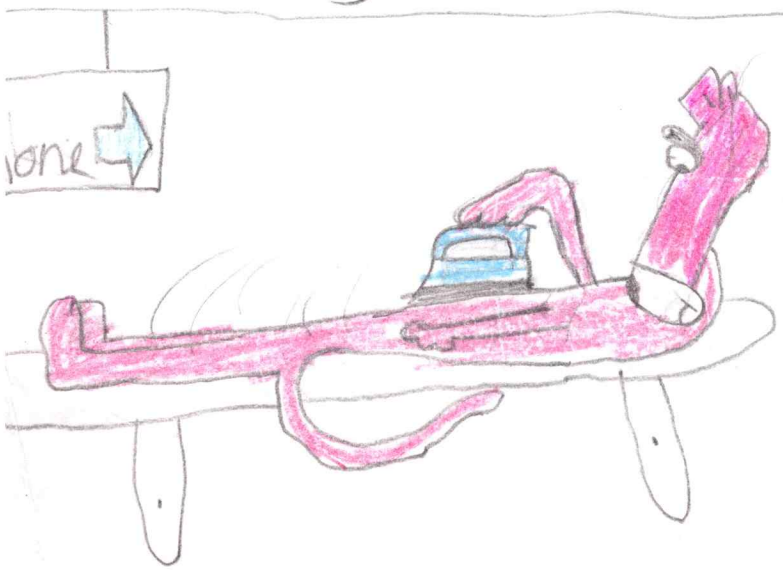


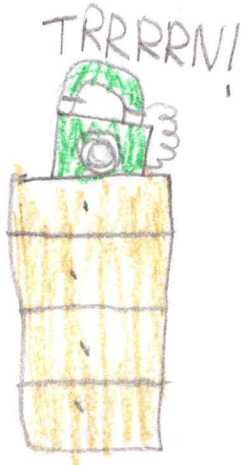
He had to iron his splinky pink skin and hair. After a while when Pink panther was ironing his pink skin and hair, the telephone began to ring:

TRRR TRRR! TRR TRR!

Pink panther left the iron on his body and took the phone to talk.

The iron was so hot that it made a big hole in his body, and then...





He took a small clock to fit inside his body. Then the clock went TRN! TRN! TRN!.

Pink panther rang with the clock TRN! TRN!.

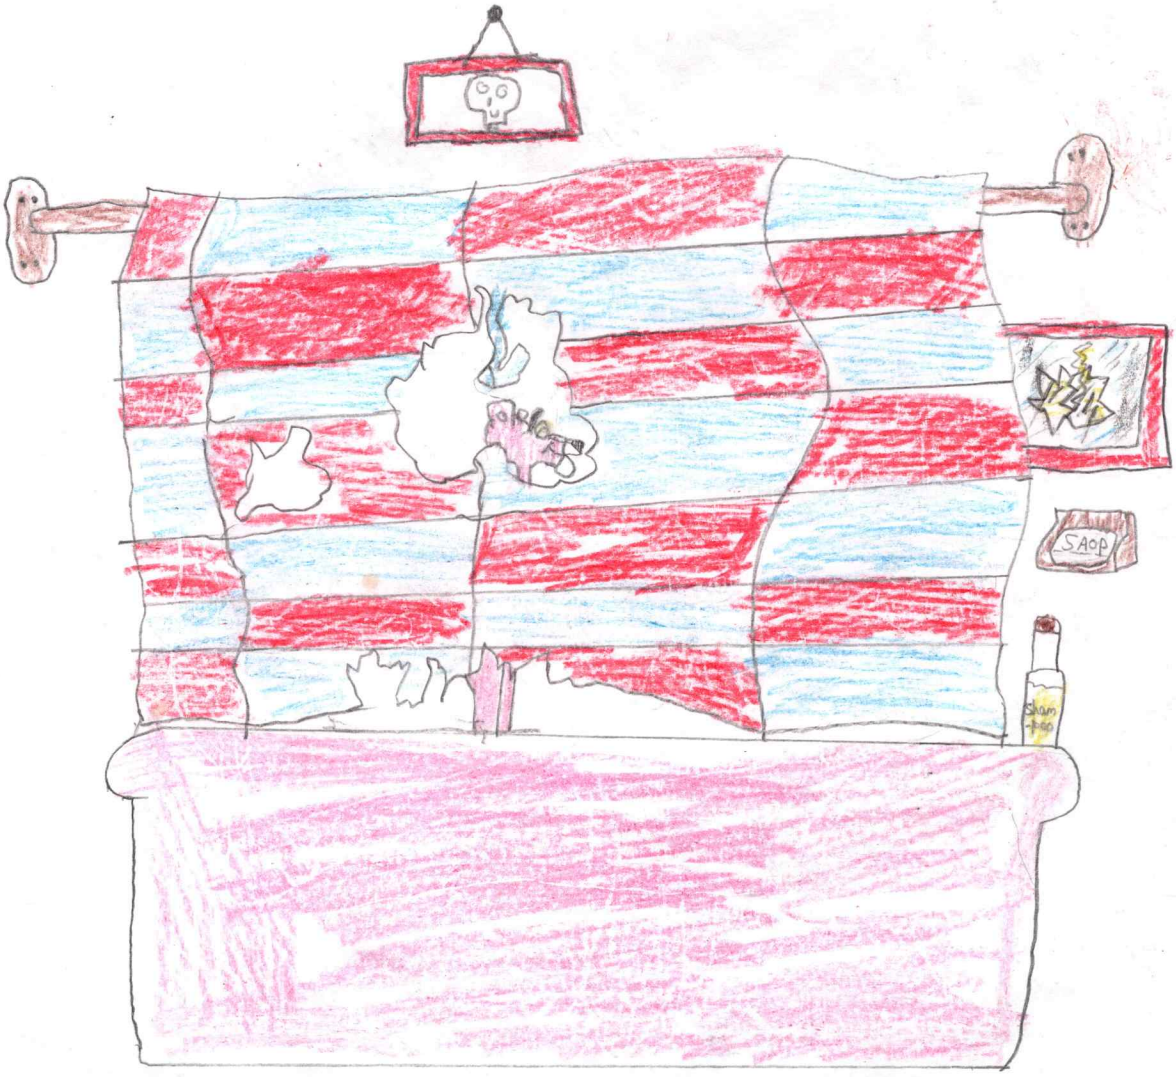
At night, when Pink panther got up. It was raining and strong drops of water was splashing on the earth and fast wind was blowing the tree leaves away. He said "I can go to the beach and play". He took his umbrella and away he went.

It was too cold!

After he went out to go to the beach, he discovered a haunted house. It was a motel. He wondered what is in the motel. So he went in the motel.

When he went upstairs he found a tub.

He went to have bath. "It's a nice day." Said Pink panther. But remember, this is a haunted motel!



After he finished his bath, he jumped on the spider web. It was like a trampoline, it was fun!
